Re: Request of Frontier Communications of the Carolinas, Inc. for Waiver of PSC
Regulation 103-601(3)
PSC Docket No. 2012-359-C
Our File No. 7377.001

Dear Madame Clerk:

In follow up on the January 15, 2013 Order Granting Frontier's request in the above-referenced docket (Order No. 2013-33), Frontier Communications of the Carolinas, Inc. (Frontier) is aware that this matter is on the Commission's Utilities Agenda for February 28, 2013.

Upon information and belief, all matters have been completed in this docket, but for the requirement for Frontier to provide the Commission with a copy of the printed and bound white pages directory, the CD-ROM white pages directory, and the link to the free on-line white pages directory. The current edition of the Frontier white pages directories were distributed throughout 2012 to its existing customers in compliance with applicable law. In South Carolina, Frontier publishes fifteen (15) separate directories on a staggered schedule throughout the calendar year. Upon publication of each directory, the bound paper directories and CDs are shipped directly from the publisher to the Commission based on the publication schedule. The first of these fifteen directories (i.e., two) are scheduled for publication beginning in February 2013.

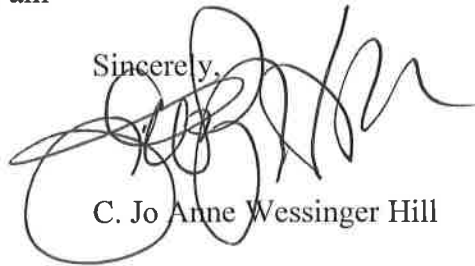

In further compliance with Order No. 2013-33, the free on-line white pages directory can be found at <http://frontierpages.com>.

If you should have any questions, please do not hesitate to contact me.

Ms. Boyd
